

REDUCE, REUSE, AND "SPRING CLEAN"

It's that time of the year again! Spring will be here soon so it is time for "spring cleaning". So, start preparing today for Maury County's Household Hazardous Waste Collection Event by getting rid of all those hazardous chemicals you have been accumulating the past year. The Tennessee Department of Environment and Conservation and Maury County are partnering up to help you safely dispose of your Household Hazardous Waste.

The event will take place Saturday September 13, 2014 at Maury County Solid Waste 1233 Lawson White Drive from 8 a.m. to 1.p.m. Harbors Environmental Services will be present to accept your pesticides, household cleaners, aerosols, pool chemicals, used automotive fluids, ect. Radioactives, explosives or medical waste generated from a business WILL NOT be accepted. Pack your vehicle carefully to prevent spills! For your safety, you should stay in your vehicle while Clean Harbor employees unload your Hazardous Waste.

The Solid Waste Solid Department accepts oil and water base paint daily and all electronics. Tires are also accepted at this site from 7 a.m. to 2 p.m.

This is a great opportunity to safeguard your homes from potentially dangerous chemicals while protecting the environment. For more information about the Household Hazardous Waste Collection, call Maury County Solid Waste @ (931) 375-6402. For used oil Collection Sites in your county call the used oil hotline @ 1-800-287-9013.
